

NEW ENGLAND CULINARY INSTITUTE®

Where you learn by living it.

Book List ~ Certificate in Professional Cooking

Many students prefer to rent textbooks or to purchase them used, discounted or online. As a result, NECI does not provide textbooks. Students are required to supply the books listed below prior to the beginning of their residence term. Knives, uniforms, and NECI-specific supplies will be available at Orientation.

Students who wish to purchase their books locally in Vermont may wish to contact **Rivendell Books** in Montpelier. Rivendell offers a **15% discount** to NECI students on all book purchases and sometimes has used books available. If you wish to purchase your texts through Rivendell, please reserve your texts by contacting the bookstore either by phone at **802.223.3928** or email at **rivendellbooks@aol.com**. Reserving your texts early helps ensure that enough copies will be available.

Students interested in renting ebooks can check out www.coursesmart.com. They currently list 5 textbooks used at NECI.

Please note: The book list is subject to change up to 30 days before term start.
